My Darling Pat;

I sure was glad to hear from you and hear about what is going on. It's to bad about Dick and Dixie. Do you think they will make up? Does Dixie like Bob Dudley? Its nice that Dick moved to the Palisades.

I was playing volleyball the 4th when I called you, so when you weren't there I decided to call you the last of the week or the first of next week.

Yesterday Dusty's cousin left so after seeing them off we went to San Jose. This was about 11:00. Dusty and I then went to all of the record shops and we bought $10 worth of good Jazz (we don't have a record player for there's no electricity) then we bought $4 "strokers". They are green, white, and blue plaid they're real great. After that we ate lunch and walked the streets till about 6:00 and left for some friends of theres had dinner and played records. We left and went home about 1:00.

A few nights ago we tried to get drunk but couldn't. I've been having a great time with Dusty, his cousin Gordy, and a friend of Dusty's named "Mouse", his real name is Allen.

Almost every night we listen to rd programs and I don't I could ever anyone as much as I miss you. Please soon and remember —

I'll always love You

Bob
