

Driscoll Nabbed on Check Charge

LOS ANGELES (UPI)—Former child star Bobby Driscoll was arrested Monday night on suspicion of forgery when police said he attempted to cash a \$45 check with false identification at a liquor store.

Detectives said the check was stolen in the Jan. 5 robbery of another liquor store.

Driscoll, in and out of trouble with the law in recent years, won a special Academy Award in 1949 for outstanding performances as a juvenile actor.
