I

My Dear Pat;
I received your letter last night so I decided to answer it before I did anything else. I didn't see any reason for answering your last letter because I had just finished answering the one before that day. I sure am glad you had a good time at Catalina. Last summer I spent 8 days at Emerald Bay. That's way up the coast from Avalon.
It certainly is to bad you have to sleep by yourself in that big soft bed. Ha!
When I get back I don't want any cracks about my jaw because it wasn't my fault. You're just lucky & didn't break because then they put your jaw in a cast and wire your mouth closed. Wouldn't that be great?
Two or three nights ago I went to

the boardwalk (which is like Ocean Park) with Dusty, girlfriends, cousin who is 15 and very nice. I didn't even hold hands! I couldn't have done it but if I had I think she would have been shocked.
I don't know whether I told you not but last week Dusty and I used good.

The weather up here has been bad and there hasn't been to do but just sit around or work. To go swimming every day but we hasn't permitted lately. Tonight we're going to see a horror show!

Events are coming up Friday we plan to be home Sunday. The thing to do is take a good bath & can find a barber shop. My alfalfa. Then guess what I'm

I can hardly wait to see you darling. Counting the days until I can see you again. It isn't long now so until then remember me & dream about you every night. But
